

Panel 1: The Forgotten Discovery

Caption

The Forgotten Discovery

Narration

Maya, a young girl with messy hair and goggles, pushes aside dusty tarps in a dark, abandoned laboratory to reveal a glowing, metallic time machine console.

Dialogue

I can do this! The adventure continues!

Panel 2: Leap Through Time

Caption

Leap Through Time

Narration

Maya accidentally hits a switch and is enveloped by a swirling vortex of blue energy that warps the space around her, pulling her into the unknown.

Dialogue

I can do this! The adventure continues!

Panel 3: City of Neon Peril

Caption

City of Neon Peril

Narration

Maya lands in a futuristic city 100 years ahead. The skyline is dominated by floating structures and flickering neon, but the sky is turning a dangerous, ominous crimson.

Dialogue

I can do this! The adventure continues!

Panel 4: The Final Puzzle

Caption

The Final Puzzle

Narration

Maya stands before a massive, floating holographic terminal in the city center, frantically aligning geometric light patterns to stabilize the city's crumbling energy field.

Dialogue

I can do this! The adventure continues!

Panel 5: The Narrow Escape

Caption

The Narrow Escape

Narration

The city stabilizes as the energy field glows gold. Maya dives back into the flickering time machine just as it begins to dematerialize, successfully returning home.

Dialogue

I can do this! The adventure continues!
